

Visionable Collaboration Platform

How to create an account

1 Speak to your account manager
They'll send you a link to create an account.

2 Fill out your personal information
Including your name and NHS email address. Then, create a password and choose your marketing preferences.

3 Hit sign up
We'll create your account and send you a confirmation email.

4 Confirm your account
Follow the link in the confirmation email. Then, you'll see a link to download the latest Visionable app.

5 Download the app
Hit the link to download the latest version of Visionable. This will automatically download a **.exe** file (Windows) or **.pkg** file (Mac) to your computer.

6 Install Visionable

Windows

Click the **.exe** file in your downloads folder to start.

Follow the instructions on the screen to install Visionable. You may need to enter your computer password to complete the install.

Mac

Click the **.pkg** file in your downloads folder to start.

Follow the instructions on the screen to install Visionable. You'll need to enter your computer password to complete the install.
