

Visionable Connect

Quick access on your Apple device

Keeping friends and families together, even when they're miles apart

Safari

We recommend saving your unique URL to your Bookmarks or to the Home Screen of your device for quick access.

- 1 Launch Safari** and type in your unique URL
- 2** Once on the call screen, click the icon with the arrow. There are multiple options:
 - a. Add Bookmark
 - b. Add to Favourites
 - c. Add to Home Screen
- 3 Add Bookmark / to Favourites:** this will add to your Safari homepage so that each time you open the browser, you will see it appear.
- 4 Add to Home Screen:** this will add the page as an icon on your phone/tablet Home Screen
